1. PRELIMINARY STATEMENT

1.1 GENERAL INFORMATION

This Tariff sets forth rates and rules of SureWest TeleVideo dba SureWest Broadband (the "Company") applicable to its provision of competitive local exchange service within the State of California to Customers located in exchange areas served by Pacific Bell, GTE California, Inc., and Citizens Telecommunications Company.

The Company has been authorized by the California Public Utilities Commission (CPUC) to provide competitive local exchange service as a reseller and facilities based carrier, and offers these services on a full-period, 24 hour, round-the-clock basis.

The rates and rules contained herein are subject to change pursuant to the rules and regulations of the CPUC.

1.2 APPLICATION OF TARIFF

This tariff sets forth the service offerings, rates, terms and conditions applicable to the furnishing of intrastate communications services by the Company to residence customers and business customers within the State of California. The Company's intraLATA and interLATA toll services are provided pursuant to its Schedule Cal. P.U.C. No. 3-T.

This tariff applies only for the use of Company's services for communications between points within the State of California; this includes the use of company's network (a) to complete an end-to-end intrastate communications; (b) by other service providers to originate and terminate intrastate communications; and (c) by Customers to obtain access to the intrastate services offered by other service providers.

The rates specified throughout the tariff for different carriers are the rates applicable in that carrier's serving territory for the Company's customers.

1.3 AVAILABILITY OF COMPANY'S TARIFF

Complete copies of the Company's Advice Letters and current tariff are maintained at the Company's business offices located at:

5411 Luce Avenue
McClellan, CA 95652

The tariff is also available for public inspection at the California Public Utilities Commission and on the World Wide Web at www.surewest.com.

1.6 TAXES AND SURCHARGES

In addition to the charges specifically pertaining to the Company's services, certain federal, state and local surcharges, taxes and fees will be applied. These surcharges, taxes and fees are calculated based upon the amount billed to the Customer for the Company's intrastate services. Such charges include but are not limited to, the surcharges and fees ordered by the CPUC as set forth below. None of the following surcharges will apply to any taxes or surcharges levied upon the Company's service to a Customer.

1.6.1 CPUC REIMBURSEMENT FEE: * (T)

Pursuant to CPUC Resolution M-4789, the Company will apply this surcharge to each Customer bill, in compliance with CPUC directives determined annually by the CPUC. This surcharge represents a user fee intended to reimburse the CPUC for the cost of regulating all certificated utilities.

1.6.2 SURCHARGE TO FUND CALIFORNIA RELAY SERVICE AND COMMUNICATIONS DEVICES: * (T)

This surcharge is in compliance with CPUC Resolution T-13005, which established a program to distribute telecommunications devices for the deaf and established a dual-party relay service program for hard-of-hearing and deaf people in California, as amended by Resolutions T-16379 and T-16403. The surcharge is applied monthly to all intrastate tariffed services not exempt from the surcharge. This surcharge will be identified on the Customer's billing statement as the "California Relay Service and Communications Devices Fund."

* Pursuant to Resolution T-16901, all telecommunications carriers are required to apply CPUC mandated Public Program surcharge rates and the CPUC Reimbursement Fee rate to all intrastate service, adjusted for those billing exemptions that apply specifically to Public Program surcharges and separately for other billing exemptions that apply specifically to the Reimbursement Fee. For the Public Program surcharges and Reimbursement Fees, please refer to the Pacific Bell (d.b.a. SBC California) tariffs, Section A2, General Regulations. (N)
