

NONDOMINANT INTEREXCHANGE CARRIER

3. Rate Schedules

(N)

3.1 Applicability

This Section sets forth the rates and charges applicable to the Company's intraLATA and interLATA interexchange toll telecommunications service offerings. The rates and charges are applicable to all intrastate services provided to customers as indicated. The Company's local exchange services are provided pursuant to its Schedule Cal. P.U.C. No. 1-T

3.2 Territory

The Company will provide service within the base rate areas of all exchanges, as said exchanges are defined on the map filed on Sheet 7 herein, as authorized by the CPUC. The Company will initially provide service in the base rate areas of Pacific Bell Telephone Company, Verizon California Inc., and Citizens Telephone Company's exchanges, as authorized by the CPUC.

3.3 Notes

3.3.1 When billing functions on behalf the Company are performed by local exchange telephone companies, or others, the payment conditions and regulations of such companies apply, including any applicable interest and/or late payment charge conditions.

3.3.2 The Company will support an industry standard blocking rate no greater than P.01.

3.4 IntraLATA and InterLATA Interexchange Toll Telecommunications Service

The Company offers its intraLATA and interLATA 1+ outbound interexchange toll services only as a component part of an Integrated Telecommunications Service Package combining its intraLATA and/or interLATA 1+ outbound interexchange toll services with its local exchange services. Service is offered for calls originating at customer premises only where facilities are available. All rates are time of day and distance insensitive. The minimum billing increment is eighteen (18) seconds. Calls are billed in six (6) second increments with service measured and rounded up to the next higher six-second increment. Completed calls are billed in whole cents, with a fraction of a cent rounded up to the next whole cent.

3.4.1 Integrated Telecommunications Service Plans

(A) General

The Company's Integrated Telecommunications Service Plans – its Telephone and Long Distance Plans – are available only to residential customers who are presubscribed to the Company as their primary carrier for local exchange services, and are offered pursuant to the Company's applicable Integrated Telecommunications Service Package offering, copies of which are available for inspection during normal business hours at the Company's principal place of business, 5411 Luce Avenue, McClellan Park, CA 95652

(B) Discontinuance of Service

Customers may discontinue any Integrated Service Plan upon written or telephonic notice to Company. In addition, the Company will discontinue a customer's subscription to any Integrated Service Plan when the Company is notified that the Customer has changed his or primary local exchange carrier to a carrier other than SureWest TeleVideo, or whenever the Customer otherwise no longer meets eligibility requirements specified for his or her current Integrated Telecommunications Services Package as set out in the Company's applicable Integrated Telecommunications Service Package offering.

(C) Rate Plans

(T)

(1) Long Distance Plans

(N)

Company's Long Distance Plans offer 1+ outbound switched services for intrastate calling anytime, anywhere and are available only to residence and business customers who are presubscribed to SureWest TeleVideo as their primary carrier for local exchange services.

(1) Long Distance Plans – (Cont'd) (N)

Long Distance Plans are billed in six (6) second increments with a minimum billing increment of eighteen (18) seconds. After the initial minimum billing increment, usage is measured and rounded up to the next higher six (6) second increment.

The Company's Integrated Telecommunications Service Package is available individually and is available as a part of a Company Bundled Service Offering. The Company's Bundled Service Offerings combine two or more of the following: an integrated telecommunications service package, video services, and data services.

(2) California Unlimited (N)

(a) This optional calling plan designed for voice communications is available to SureWest TeleVideo Business customers when they are actively subscribed to SureWest TeleVideo for both IntraLATA and InterLATA/Intrastate calling. (N)

NOTE: The following condition is grandfathered and applicable to existing customers prior to March 11, 2003:

Customers subscribing to the Company's Integrated Telecommunications Service Package as part of a bundled service offering combining all three service – telecommunications, video, and data – and who have no unpaid invoices over thirty (30) days old will receive a credit on the first and each subsequent invoice against the Customer's interexchange toll minutes of use for that invoice period, in an amount equal to the Company's per minute usage charge multiplied by the Customer's interexchange (intrastate, interstate, or a combination of the two) toll minutes of use for up to 100 minutes of use during that invoice period. Credits are issued per invoice period and unused credit may not be carried over to any other invoice period.
