22.3 SPECIAL CONDITIONS

(A) RATE REGULATIONS

- (1) The above rates include service, without additional charge, to all stations receiving service from the exchange from which the foreign exchange service is furnished. Message units, Zone Usage Measurement service and toll rates applicable in connection with foreign exchange service will be in accordance with the applicable tariff provisions of the foreign exchange.
- (2) The above Roseville exchange area mileage rates are applicable to the airline distance between the customer's primary service address and the nearest point on the common boundary of the foreign and local exchange. The above foreign exchange area mileage rate is applicable to the airline distance between the point on the common boundary of the foreign and local exchange, as determined in this paragraph, and the nearest point on the base rate area boundary of the foreign exchange.

(B) LIMITATIONS

- (1) Foreign exchange service will be furnished subject to the same conditions as to the use of the service by others than the customer or his representatives which are applicable in connection with other classifications of customer's telephone service.
- (2) Customers to foreign exchange service under this schedule are not required to take service of the exchange from which local service normally would be rendered on the premises on which foreign exchange service is furnished.
- (3) Except as otherwise provided in this schedule, services furnished in the Roseville exchange will be available in connection with foreign exchange service in accordance with the tariff provisions of the Roseville exchange for the particular classification of service furnished.
- (4) "Local Exchange" means the exchange in which the primary station is located and "Foreign Exchange" means the exchange from which the service is rendered.
